

Product Code	Description	UK List (Ex VAT)
Plixus Wired		
Central Equipment		
Plixus MME	The Plixus Multimedia Engine is a 19" rack mountable device that provides all the processing and signal handling required for a multimedia system.	£6,199.00
Plixus AE-R	The Plixus Audio Engine with recording capabilities is a 19" rack mountable device that provides all the processing and signal handling required for an audio only system.	£2,999.00
Plixus AE-R PS	Spare power supply for Plixus AE-R	£229.00
Plixus PS	Rack mount power supply 48V 21A (1U)	£2,199.00
Plixus NEXT	Plixus Network Extender is a device used to increase the number of devices available on the Plixus network and to create a redundant system design.	£999.00
Dante audio Networking Card	Dante audio Networking Card the Dante audio Networking Card is a plugin card that fits in the uniCOS CU and provides a digital audio networking interface. CoCon Audio Routing needed	£999.00
Interpreter Equipment		
Lingua ID	Interpretation desk - Audio Only (Can be connected to Plixus MME & Plixus AE)	£1,749.00
Lingua ID-MM	Interpretation desk - Video Enabled (Can only be connected to Plixus MME)	£2,149.00
Multimedia Delegate Hardware		
uniCOS F/MM7	A 7" touch screen flush-mount station that can be configured both as a delegate or chairman unit.	£2,499.00
uniCOS F/MM10	A 10" touch screen flush-mount station that can be configured both as a delegate or chairman unit.	£2,999.00
uniCOS T/MM10	A 10" touch screen table top station that can be configured both as a delegate or chairman unit.	£2,749.00
uniCOS uniBOX	The Plixus uniBOX brings the full multimedia conference experience to any touch display.	£1,999.00

Multimedia Hardware		
Plixus V-IN	Video input box (with HDMI input) to place video content onto the Plixus network. Requires CoCon Video Routing to route to one of the 6 available channels on the network.	£999.00
Plixus V-OUT	Video output box (with HDMI input) to place video content onto the Plixus network. Requires CoCon Video Routing to route from one of the 6 available channels on the network.	£999.00
Plixus V-REQ	Optional video request panel to connect to the Plixus V-IN in order to request to share your content over the network.	£159.00
Plixus V-SEL	Optional video selection panel to connect to the Plixus V-OUT in order to freely select the different video channel available from the network.	£259.00
uniCOS F/MM7 Bracket	Mounting bracket for uniCOS F/MM7 with inclination of 60°	£269.00
uniCOS F/MM10 Bracket	Mounting bracket for uniCOS F/MM10 with inclination of 60°	£269.00
Electronic Name Plate		
Plixus NP	Double sided nameplate based on E-ink technology to automatically update displays upon delegate's sign in (e.g. with RFID card) or input of the conference manager. Can be daisy chained on Plixus network or connected directly via USB with multimedia units. CoCon Nameplate software required.	£1,299.00
Confidea FLEX - OLED Touchscreen User Console		
Confidea FLEX	All-in-one tabletop conference unit with an integrated 5.2" touch screen with fingerprint coating. Microphone to be ordered separately.	£649.00
L-Chair	User licence to enable Chair functionality. One license required per unit requiring this functionality.	£79.00
L-Vote	User licence to enable Voting functionality. One license required per unit requiring this functionality.	£79.00
L-Identification	User licence to enable ID functionality. One license required per unit requiring this functionality.	£79.00
L-Language	User licence to enable language functionality. One license required per unit requiring this functionality.	£79.00
L-Dual	User licence to enable dual delegate functionality. One license required per unit requiring this functionality.	£79.00
L-Bluetooth	User licence to enable Bluetooth functionality. One license required per unit requiring this functionality.	£79.00

Confidea T - Tabletop User Console		
Confidea T-DD	Wired delegate unit with built-in loudspeaker, microphone connector. Microphone to be ordered separately.	£449.00
Confidea T-CD	Wired chairman unit with built-in loudspeaker, microphone connector, prior and next-in-line button. Microphone to be ordered separately.	£479.00
Confidea T-DV	Wired delegate unit with built-in loudspeaker, microphone connector, 3 voting buttons, RFID reader, OLED display. Microphone to be ordered separately	£489.00
Confidea T-CV	Wired chairman unit with built-in loudspeaker, microphone connector, 3 voting buttons, OLED displays, RFID card reader, prior and next-in-line button. Microphone to be ordered separately.	£529.00
Confidea T-DI	Wired delegate unit with built-in loudspeaker, microphone connector, RFID badge reader and channel selector with OLED display. Microphone to be ordered separately.	£489.00
Confidea T-CI	Wired chairman unit with built-in loudspeaker, microphone connector, RFID badge reader, channel selector with OLED display, prior and next-in-line button. Microphone to be ordered separately.	£529.00
Confidea T-DIV	Wired delegate unit with built-in loudspeaker, microphone connector, 5 voting buttons, RFID badge reader channel selector with OLED display. Microphone to be ordered separately.	£549.00
Confidea T-CIV	Wired chairman unit with built-in loudspeaker, microphone connector, 5 voting buttons, RFID badge reader, channel selector with OLED display, prior and next-in-line button. Microphone to be ordered separately.	£579.00
Confidea T-D2I	Wired dual delegate unit with built-in loudspeaker, microphone connector, single microphone activation button, RFID badge reader, 2 channel selectors with OLED display. Microphone to be ordered separately. Special Order Product.	£549.00
Confidea T-2D2I	Wired dual delegate unit with built-in loudspeaker, microphone connector, dual microphone activation buttons, RFID badge reader, 2 channel selectors with OLED display. Microphone to be ordered separately. Special Order Product.	£549.00

Confidea F - Flushmount User Console		
Confidea F-DD	Integrated flush mount delegate panel with Confidea connector and loudspeaker. Microphone to be ordered separately.	£469.00
Confidea F-CD	Integrated flush mount chairman panel with Confidea connector loudspeaker, prior and next-in-line button. Microphone to be ordered separately.	£519.00
Confidea F-DV	Integrated flush mount delegate panel with Confidea connector, loudspeaker and 5 button voting facilities with RFID badge reader. Microphone to be ordered separately.	£659.00
Confidea F-CV	Integrated flush mount delegate panel with Confidea connector, loudspeaker, 5 button voting facilities with RFID badge reader, prior and next-in-line button.	£719.00
Confidea F-DI	Integrated flush mount delegate panel with Confidea connector, loudspeaker and channel selector. Microphone to be ordered separately.	£659.00
Confidea F-CI	Integrated flush mount chairman panel with Confidea connector, loudspeaker, channel selector and prior and next-in-line button. Microphone to be ordered separately.	£729.00
Confidea F-DIV	Integrated flush mount delegate panel with Confidea connector, loudspeaker, 5 button voting facilities, channel selector and RFID badge reader. Microphone to be ordered separately.	£789.00
Confidea F-CIV	Integrated flush mount chairman panel with Confidea connector, loudspeaker, 5 button voting facilities, channel selector,RFID badge reader, prior and next-in-line button. Microphone to be ordered separately.	£859.00
Confidea F-CS	Stand alone channel selector with OLED displaying channel number, name and volume.	£329.00
Confidea F-DM	Integrated flushmount microphone panel. Microphone to be ordered separately.	£399.00
Confidea F-CM	Integrated chairman flushmount microphone panel Microphone to be ordered separately.	£449.00

Confidea Wireless		
Central Equipment		
Confidea WCAP G3	Wireless Conference Access Point with analog input, output and mobile device friendly webserver for easy installation, configuration and monitoring	£2,549.00
Confidea G3 Directional Antenna Kit	External antenna for more directional radiation pattern (horizontal beam width of 120 degrees & 11 degrees vertically.	£1,749.00
Confidea APPS	Power adapter used with Confidea WCAP in standalone mode	£61.00
Delegate Hardware		
Confidea DD G3	Wireless delegate with built-in speaker and microphone connector Microphone and battery to be ordered separately.	£649.00
Confidea CD G3	Wireless chairman unit with built-in loudspeaker, microphone connector, prior and next button. Microphone and battery to be ordered separately.	£719.00
Confidea DV G3	Wireless delegate unit with built-in loudspeaker, microphone connector, 3 voting buttons, RFID badge reader and OLED information display. Microphone and battery to be ordered separately.	£819.00
Confidea CV G3	Wireless chairman unit with built-in loudspeaker, microphone connector, 3 voting buttons, RFID badge reader, OLED display, prior and next-in-line button. Microphone and battery to be ordered separately.	£899.00
Confidea DI G3	Wireless delegate unit with built-in loudspeaker, microphone connector, RFID badge reader, and channel selector with OLED information display. A maximum of 4 channels can be received. Microphone and battery to be ordered separately.	£1,049.00
Confidea CI G3	Wireless delegate unit with built-in loudspeaker, microphone connector, RFID badge reader, and channel selector, OLED display, prior and next-in-line button. A maximum of 4 channels can be received. Microphone and battery to be ordered separately.	£1,099.00
Confidea DIV G3	Wireless delegate unit with built-in loudspeaker, microphone connector, RFID badge reader, 5 voting buttons, and channel selector with OLED information display. A maximum of 4 channels can be received. Microphone and battery to be ordered separately.	£1,349.00
Confidea CIV G3	Wireless chairman unit with built-in loudspeaker, microphone connector, RFID badge reader, 5 voting buttons, and channel selector with OLED information display, prior and next in line button. A maximum of 4 channels can be received. Microphone and battery to be ordered separately.	£1,449.00
Confidea 2D2D G3	Wireless dual delegate unit with built-in loudspeaker, microphone connector, dual microphone activation buttons. Microphone to be ordered separately. Special Order Product.	£1,049.00
Confidea D2I G3	Wireless dual delegate unit with built-in loudspeaker, microphone connector, single microphone activation button, RFID badge reader, 2 channel selectors with OLED display. Microphone to be ordered separately. Special Order Product.	£1,349.00
Confidea 2D2I G3	Wireless dual delegate unit with built-in loudspeaker, microphone connector, dual microphone activation buttons, RFID badge reader, 2 channel selectors with OLED display. Microphone to be ordered separately. Special Order Product.	£1,349.00
Batteries, Charging & Storage		
Confidea BP	Battery pack for wireless Confidea unit. To be ordered separately for all Confidea units.	£229.00
Confidea BPC	Adapter to charge battery	£52.00
Confidea CHT	Charging tray for 6 battery packs, 19" rack mountable	£729.00
Confidea CHC	Transport case to accommodate 12 wireless delegate units, 12 battery packs, 12 microphones, 2 charging trays (not included) and 1 Confidea WCAP	£1,099.00

D-Cerno Wired Discussion		
D-Cerno CU	Standard Central Unit	£1,199.00
D-Cerno CUR	Central Unit with Recording Capability	£1,449.00
D-Cerno D SL	Digital Delegate Unit, Discussion, 2m cable included. Gooseneck Microphone to be ordered separately.	£269.00
D-Cerno C SL	Digital Chairman Unit, Discussion, 2m cable included. Gooseneck Microphone to be ordered separately.	£329.00
D-Cerno PS	Spare power supply for D-Cerno CU	£199.00
D-Cerno SL TC	Transport case for 12 Microphones	£1,059.00

Gooseneck Microphones		
D-MIC 30 SL	GSM immune gooseneck microphone of 30 cm with bi-colour* led ring indication (red / green). To be ordered separately.	£154.00
D-MIC 40 SL	GSM immune gooseneck microphone of 40 cm with bi-colour* led ring indication (red / green). To be ordered separately.	£139.00
D-MIC 50 SL	GSM immune gooseneck microphone of 50 cm met bi-colour* led ring indication (red / green). To be ordered separately.	£154.00
D-MIC 70 SL	GSM immune gooseneck microphone of 40 cm with bi-colour* led ring indication (red / green). To be ordered separately.	£159.00
D-MIC 40 FF	GSM immune full flex gooseneck microphone of 40 cm with bi-colour led ring indication (red / green). To be ordered separately.	£159.00
D-MIC 40 BC-Cardioid	GSM immune broadcast quality gooseneck microphone of 40 cm with bi-colour* led ring indication (red / green). Cardioid pattern. To be ordered separately.	£359.00
D-MIC 40 BC-Hypercardioid	GSM immune broadcast quality gooseneck microphone of 40 cm with bi-colour* led ring indication (red / green). Hypercardioid pattern. To be ordered separately.	£459.00
D-MIC Handheld	GSM immune handheld microphone with coiled cable. Bi-colour led ring indication (red / green). Requires custom Plixus interface for integration, request quotation.	£259.00

Connection Cables		
ICC5/2	Connection cable, 2m, black	£16.00
ICC5/3	Connection cable, 3m, black	£19.00
ICC5/5	Connection cable, 5m, black	£22.00
ICC5/10	Connection cable, 10m, black	£36.00
ICC5/20	Connection cable, 20m, black	£54.00

Headsets		
TEL 152	Lightweight stereo headphone	£26.00
EP152	Lightweight single earphones with a 3,5mm right-angled jack plug (bag of 10 pieces). Compatible with Plixus products and Lingua receiver.	£229.00
TEL 15	Interpreter headphones, including connection cable with 3,5 mm miniature jack plug	£149.00
HS15	Interpreter headphones	£349.00
Soft earpads	TEL 152 (bag of 20)	£62.00
Hard earshells	TEL 152 headphone (bag of 20)	£149.00

ID Cards & Programmers		
MID	RFID badge, blank	£6.00
MID Prog	RFID badge reader / writer	£499.00

T-CAM Camera Tracking Solution		
T-CAM Package	2 HD PTZ cameras, video switcher, PCI capture card, software and license.	£10,799.00
T-CAM Camera	Additional HD PTZ camera and license.	£2,799.00
T-CAM Name Overlay	Adds ability to display delegate name to video stream. Includes software license and PCI capture card.	£2,599.00

Lingua IR - Digital Infrared Language Distribution / Assistive Listening		
Transmitter / Modulators		
Lingua T	Infrared transmitter, as standard offering 6 channels, additional channels can be obtained with upgrade licenses (Lingua L12 & L40).	£3,199.00
Lingua L12	Transmitter license upgrade to 12 channels.	£1,049.00
Lingua L40	Transmitter license upgrade to 40 channels.	£3,499.00
Radiators / Emitters		
Lingua RAD-H	25W radiator with automatic delay compensation. Supports 40 channels.	£3,199.00
Lingua RAD Mount	Wall and pole mount accessory for Lingua RAD-H. Tilt range +70 to -10 degrees.	£139.00
Receivers		
Lingua R6	6 channel IR receiver with Li-ion battery included	£219.00
Lingua R12	6 channel IR receiver with Li-ion battery included	£239.00
Lingua R40	6 channel IR receiver with Li-ion battery included	£259.00
Lingua BP	Lingua receiver Li-ion battery (Pack of 6 batteries)	£119.00
Charging & Storage		
Lingua CHC	Charging case to store and charge upto 64 Lingua IR receivers.	£2,699.00

Software		
CoCon Software Suite		
CoCon Discussion	CoCon Conference Control Software Suite.	£3,299.00
CoCon Signage	Display application within the CoCon Control suite.	£1,399.00
CoCon Voting	Cocon Voting module for CoCon Control suite.	£2,399.00
CoCon Authentication	Cocon Authentication application within the CoCon Control suite.	£1,399.00
CoCon Import/Export	This module provides additional functionality to import and export data to/from CoCon from various formats (XML, Word).	£1,399.00
CoCon Documentation (Multimedia only)	CoCon Document Management Module	£1,399.00
CoCon Messaging (Multimedia only)	Messaging Module	£839.00
CoCon Audio Routing	Audio routings between several inputs and outputs (Dante I/O, Auxiliary I/O, microphone groups) using an intuitive matrix UI.	£1,399.00
CoCon Video Routing	Management software to configure and route video streams on the Plixus network between several inputs and outputs.	£1,399.00
CoCon Interpretation	Software module Interpretation	£1,999.00
CoCon Nameplate	Management software to configure the content of the Plixus Namesplate.	£2,399.00
CoCon Intercom	Software module to enable intercom functionality with Plixus conference devices.	£2,399.00
Congressify Web Based User Interface		
Congressify User License	Web based interface for delegates to view meeting information on a tablet or laptop. CoCon Discussion required, other CoCon modules are optional (Voting / Documentation). One license per delegate.	£209.00
TReX Audio Recording Software		
TReX	Two channel audio recorder with automatic conference marker placement Including PC audio interface	£1,199.00
TReX Multi channel	Eight channel audio recorder with automatic conference marker placement Audio interface not included. In case Dante is used, virtual soundcard is required, not included.	£3,099.00
T-Rex Transcription	Transcription tool including foot pedal	£719.00
