

Product Code	Description	UK List (Ex VAT)
Induction Loop Amplifiers		
Small Area Solutions and Amplifiers		
DCL20-K	Complete kit. It includes a DCL20 induction loop amplifier, a coil with its connections, an external power supply, a surface microphone and a « adapted for hearing-impaired area » sticker	£179.00
DCL20-K1	Complete kit. It includes a DCL20 induction loop amplifier, a coil and its connections, and external power supply, a gooseneck microphone and a « adapted for hearing-impaired area » sticker	£219.00
DCL20-K2	Complete kit. It includes a DCL20 amplifier, a coil with its connections, an external power supply, a gooseneck microphone, a telephone handset OP-E2 and a "adapted for hearing-impaired area" sticker	£259.00
DCL20-E2	Complete kit. It includes a DCL20 amplifier, a coil with its connections, an external power supply, a surface-mount microphone, a telephone handset OP-E2 and a "adapted for hearing-impaired area" sticker	£219.00
DCL20-WALL	Complete kit. It includes a DCL20 amplifier, a pictogram loop OP-WALL2 to fix, an external power supply, a surface-mount microphone and a « adapted for hearing-impaired area » sticker	£229.00
DCL20-PLUG	Complete kit. It includes a DCL20 amplifier, a pictogram loop OP-WALL2 with its easel OP-CHW2, an external power supply, a surface-mount microphone and a « adapted for hearing-impaired area » sticker	£239.00
DCL20-SA	Kit for small room. It includes a DCL20 induction loop amplifier, a 30 ml wire coil, an external power supply, a surface-mount microphone and a « adapted for hearing-impaired area » sticker	£209.00
DCL20-TV	Kit for TV room. It includes a DCL20 induction loop amplifier, a 30 ml wire coil, a digital-analog converter, an external power supply, a surface-mount microphone and a « adapted for hearing-impaired area » sticker	£239.00
DCL20	DCL20 amplifier with power supply	£139.00
Small Area Solutions and Amplifiers - Accessories		
OP-TvLink	Adaptator for induction loop which converts a digital audio signal into an analogic	£34.00
OP-WALL2	Induction loop integrated into a "adapted for hearing-impaired area" pictogram to fix on a wall or on its OP-CHW2 easel. Dimensions : 170x170x12mm.	£61.00
OP-CHW2	Easel for OP-WALL2 and DCL20. Delivered with fixation screws	£17.00
OP-E2	Telephone handset for DCL20	£43.00
OP-M	Miniature surface-mount microphone for DCL20	£13.00
OP-M02	Miniature surface-mount microphone with accessories for gluing or clipping	£25.00
OP-M80	Gooseneck microphone	£38.00
LOOPMAT	Floor mat with integrated induction loop	£249.00
COUS	Cushion with integrated induction loop for DCL20-K	£77.00
OP-IL	Replacement standard magnetic loop for DCL20, supplied with connector	£18.00
PS-20	Power supply for DCL20	£25.00
LC-ROOM	Portable loop for reception with a microphone OP-M80 and a handset OP-E2	£42.00
Medium & Large Loop Amplifiers - 1 Channel		
LD1.0	Opus Technologies rackable 5A loop amplifier for 250 m². Rack mounting kit not supplied.	£539.00
LD2.0	Opus Technologies rackable 7A loop amplifier for 450 m². Rack mounting kit not supplied.	£639.00
LD3.0	Opus Technologies rackable 10A loop amplifier for 1000 m². Rack mounting kit not supplied.	£739.00
Medium & Large Loop Amplifiers - Accessories		
OP-R	Wall-mounting or 1U 19" rack-mounting kit for 1 or 2 LD series amplifier or wall fixation.	£39.00
OP-V	Plexiglas protection which lock out the settings of LD series. Delivered with 4 screws	£17.00

Medium & Large Loop Amplifiers - 2 Channel		
LD1.2	2x5A LD1.0 loop amplifier for low-crosstalks systems or very wide coverage. Rack mounting kit and OP-V supplied	£1,099.00
LD2.2	2x7A LD2.0 induction loop amplifier for low-crosstalks systems or very wide coverage. Rack mounting kit and OP-V supplied	£1,399.00
LD3.2	2x10A LD3.0 induction loop amplifier for low-crosstalks systems or very wide coverage. Rack mounting kit and OP-V supplied	£1,699.00
Receiver & Field Strength Meter		
LP-R	Stethoset receiver for induction loop. Delivered without charger	£129.00
IR-1CH102	Charging station for 1 receptor LP-R	£109.00
IR-5CH102	Charging station for 5 receptors LP-R	£419.00
OP-FSM-02	Magnetic field meter for setting of a loop system in accordance with standard EN601118-4. Supplied with headphones.	£219.00
CE-1	Lowcost headphone.	£9.00
OP-778	Professional binaural headphone with rotative ear cups for OP-10R, OP-FSM-02... or to listen to your music.	£21.00
Wiring & Installation Accessories		
LC-50	Cable with a variable resistance from 0.5mm ² to 2.5mm ² for induction loop. It can be installed through a floor, a wall, or ceiling. 50 meter-coil	£95.00
LC-100	Cable with a variable resistance from 0.5mm ² to 2.5mm ² for induction loop. It can be installed through a floor, a wall, or ceiling. 100 meter-coil	£180.00
LC-150	Cable with a variable resistance from 0.5mm ² to 2.5mm ² for induction loop. It can be installed through a floor, a wall, or ceiling. 150 meter-coil	£270.00
RC50	19 mm Isolated copper foil for ground installation. 50 ml reel.	£99.00
RC100	19 mm Isolated copper leaf for ground installation. 100 reel.	£195.00
RC150	19 mm Isolated copper leaf for ground installation. 150 reel.	£285.00
RC01-50	10 mm Isolated copper leaf for ground installation. 50 reel.	£79.00
RC01-100	10 mm Isolated copper leaf for ground installation. 100 reel.	£149.00
RC02-50	2x10 mm Isolated copper leaf for ground installation. 50 reel.	£129.00
RC02-100	2x10 mm Isolated copper leaf for ground installation. 100 reel.	£249.00
C10-RC	Terminal which allows to connect a link cable to a copper leaf RC. Delivered by pack of 10	£44.00
SPRAY	Spray adhesive glue for copper leaf	£21.00
ADH-RC	Printed protective adhesive tape for copper tape RC50-100-150 with a "DO NOT CUT" message	£15.00
OP-LI5	Copper shielded link cable which allows to connect a induction loop to a amplifier of 5	£32.00
OP-LI10	Copper shielded link cable which allows to connect a induction loop to a amplifier of 10	£49.00
OP-LI15	Copper shielded link cable which allows to connect a induction loop to a amplifier of 15	£62.00
Digital Counter Intercom		
OP-6505B-EN	Digital counter intercom with touch pad and magnetic loop amplifier for hearing impaired people. English message.	£829.00
OP-6505B-P	Digital counter intercom with touch pad and magnetic loop amplifier for hearing impaired people. Personalized message.	£829.00
OP-6505-EN	Digital counter intercom with touch pad. English message.	£679.00
OP-6505-P	Digital counter intercom with touch pad. Personalized message.	£679.00
DCL20-65	Complete kit including a DCL20 amplifier, a coil with its connectors, an external power supply and 3 stickers "space adapted to the hearing impaired"	£175.00
